For the Winter 2015 session, 444 teams with 51 teachers and 1,739 students participated in our Stock Market Game 10-week competition

This was a very exciting competition with the first place team, Beechwood High School, outperforming the S&P500 by 17%! Congratulations to all the teams participating!!

Stock Market Game awards include: 1st place prize of \$50 gift card for team members, 2nd place of \$20 for team members and 3rd place of \$10 for team members. The First Place team will receive a school trophy and all team members will receive certificates. Regional Award first place teams will all receive medals.

The Stock Market Game™ is a national program of the Foundation for Investor Education and is offered in Kentucky by the Kentucky Council on Economic Education (KCEE). It is an interactive, interdisciplinary program for students in grades 4-12 (and college) to learn about economics, finance, and our American economic system. The program is offered each Fall and Spring. Over a period of 10 weeks, teams of students research companies, make investment decisions, and create their portfolios, investing \$100,000 in imaginary money in stocks, bonds, and mutual funds. Teams are ranked on equity in portfolio. Teachers are provided with educational resources to teach students about investing, capital formation, the stock market, and the economy. Student teams compete against other Kentucky teams statewide and across local regions for prizes.

About the KCEE: The Kentucky Council on Economic Education is an educational non-profit organization that provides professional development opportunities for Kentucky teachers, classroom curricula and resources, and programs, like the Stock Market Game and Take Stock in Kentucky. Since 1974, KCEE has worked with tens of thousands of committed teachers through our six Centers at Morehead, Murray State, Eastern Kentucky, Western Kentucky, Northern Kentucky and Bellarmine Universities.
